Karla, I feel like your seeing what I'm writing so I was wondering if that dream I had about you if it was like the movie sleeping beauty. I miss the old days I'll see you soon. Love You.

So sorry to hear of your passing. I did not know you but was touched by your story. May GOD grant your family peace that passes all understanding and may your children forever be a glimpse of remembrance of your life.

I am so very sorry to hear about the passing of whom must have been a very loving, kind and thoughtful mother. Her children will no doubt be told of their dear sweet mother and the sacrifice she made so that her baby boy could be born. May Karla rest in God's arms.
