“ I remember as a kid trying to sneak up on Donna and Jerard while they were parked in his Corvette, trying to surprise them. I got to be in the wedding, and then the first time we visited at the farm, Jerard let us shoot guns out of the living room window. Donna didn't seem pleased. After Marie and I were married, we visited often and always had a great time. We were even allowed to bring a youth group of 40 plus kids out for a Halloween hayride and bonfire down on the creek bed. We will miss Jerard but always remember the great times..

“ There are so many memories it is hard to chose just one! We were in their wedding, hours of sledding at the farm, trips to events, numerous meals, and just good old fashion good times! Our kids are close to the same age, but time has positioned our families in different states and time frame! Love to all the family!!!

“ Thank you so much. So many of our childhood memories have you and the boys in them. We loved to reminisce with dad and giggle to we “peed our pants.”
