“ I only knew of Shane because I'm friends with HIS Mother Vicki. I only have one photo of Shane . With John Sulley I believe from the kinglake bar or it's from the Depot. But I'm going to let you know . He was a happy guy. But there comes a time in life when you put all family stuff behind . This is a time to grief . And I'm so so sorry for Vicki loss . But why was there no photos of him and his mom. Vicki at least you have memories of Shane as a little baby/ boy/ and young man. Love you Vicki . Keep the gift of your son I gave you close. And I hope it gives you comfort that he is close by.

“ I have some fond childhood memories of spending time with Shane and Lori at Grandma Elsie's house. The day that he thought it would be a good idea for us to slide down the old laundry chute into the basement was great fun...until we got caught! Shane could take the most ordinary moments and light them up with his smile. We'll miss your light in the world, cousin.

“ I’ve had so many great times with Shane that it’s really tough to pick a favorite. I guess I’d say my favorite memory of him was being on the river with him & Hannah and my kids just laughing, swimming soakin up a long summer day. I’m sure gonna miss my buddy, in fact, I already do. Rest In Peace Shane
