“ Aaron, it has almost been a year now since you went to be with your father in heaven. I think of you often and wish your life could have been longer and fuller. To see your children grow up and marry and have their own children. But I know you still will see this from heaven, but I wish you could have been with us on earth. This past march when Grandpa (Cubby Halverson) was starting to fail he said to me that he had a great visit with you and your dad (Brian) and I believe you both were paving the way for his return to God. I believe you were both in the room with him and grandma. Now you are all together in heaven. I ask that all of you continue to send down your blessings for Deana and your family as well as Grandma so they will be at peace and know we will all meet again in heaven when it is our time.
peace to all who's lives Aaron (my nephew) touched.

“ Deana, we are so sorry for your loss. It was obvious seeing you and Aaron together how much you loved and supported each other. Through your beautiful children he will continue to love you. Our thoughts and prayers are with you and your family.

“ Billy and family, I am so sorry for your loss. There are no words to help you overcome the death of a brother, son, father, or husband. Know that he is watching over you and will help you in these difficult times ahead. Please know you are all in my prayers and if you need anything at all just ask. My sympathies to your whole family during this trying time. Sincerely, Kara Kudron, Kris and Kaylei Perry
