

Aaron John Kimnach

January 13, 1972 - July 16, 2022

Aaron was born on January 13, 1972 to Phillip and Dianne (Bruner) Kimnach in Omaha, NE. He grew up in Bennington, NE with his brother, Marc. Growing up, Aaron played football, basketball, and was on the track team. He also enjoyed playing horseshoes with his family and playing cards and watching sports with his dad. Aaron graduated from Bennington High School in 1990 and went on to take classes at both UNO and UNL. He later worked for AT&T and GP Industries.

The birth of his children were special days in Aaron's life, Taylor in 2002, Trace in 2004, and Tori in 2008; his children were very important to him. Other special memories Aaron had included helping his team win the State Football Championship his senior year and having the opportunity to travel to Australia as part of an All-State High School Football Traveling Team. He also was chosen as a top athlete his senior year to play in the Shrine Bowl at UNL. In adulthood, Aaron continued to enjoy horseshoes and cards, and his favorite team to cheer for was the Pittsburgh Steelers. He was a fan of all scary movies and being able to give his family members a good scare brought him joy. Fitness was important to Aaron, and throughout the years he was a member at JCC, Westroads Club, and 24-hour fitness. City life was not for Aaron, and he especially loved to be on his grandparents' farm.

Family and friends will remember Aaron's infectious smile, polite demeanor, and kindness he showed to everyone. He was a gentle giant who had a larger-than-life personality. Aaron was preceded in death by his father, Phillip

Kimnach, who recently passed in January of 2022 and his grandparents: Fred and Rose Kimnach and John and Marcy Bruner. He is survived by his mother, Dianne Kimnach; children, Taylor, Trace, and Tori Kimnach; brother, Phillip Marc (Denise) Kimnach and their children Austin, Ally and Creighton.

“ Aaron was my favorite cousin , we always had good times and good laughs when we were together when I would come up and visit the family in omaha from where i have lived in texas since 1974 . And also when he came and visited us down in texas . Along with are phone conversations too. His whole family came down to texas to visit some years back and we all rented some jet skies on lake travis one day and i just remember the fun aaron and all of us had together that day . Him and i would bet money playing putt putt golf together or bowling and college football games and anything else we could come up with . And we also played cards with the family . No matter who won we always had alot laughs doing it . I miss u dearly cousin , and your gone way to soon . It breaks my heart we didn't live closer and get to spend more time together . I have the memories though in my heart and my mind and wil keep them in a special place...
