“ *Generous, loving, & caring is how I remember you Aunt Irene. When we were little & dad was always out of work, you brought groceries down for us. You let me stay with you at your house on deCATUR st when I was going to college at Creighton. I always remember your ham & bean stew. It was the best. Our own mom passed last Christmas; you are now reunited in God's great kingdom. You will be sorely missed. Condolences & sympathies to all the Beers Family members. Walt (buddy)Grantski*

“ *Grandma,*

“God looked around his garden and found an empty space, then He looked down upon this earth and saw your tired face. He put his arms around you and lifted you to rest. God's garden must be beautiful, He only takes the best!”

Give Grandpa, Aunt Katy, Uncle Brian, and of course my beautiful Steven big hugs from me.

I LOVE YOU!
