“ *Don and Pat Schleiger, What an amazing surprise to see your condolence! The Lord alone is the one that placed the two of you along with the other couple at the Holland Center parking garage and in the elevator at the same time as Alan and I. All your immediate attention helping, gave me a sense of not being there alone and what brought the rescue squad so rapidly. I miss Alan more than words could EVER express and the hole left can only be mended by Jesus. Thank you for your willingness to 'be involved'. Your prayers are greatly appreciated and much needed. Prayer warriors are never wasted. Thank you my brothers and sisters in Christ.*

Additionally, thank you all for your loving, thoughtful words and condolences. The Lord be with you, the Lord grant you peace.

“ I have had the pleasure of Alan's company not only at work, but also in play. We have worked together for 15 years, but have known his friendship and humor along the trails of RCR for 20 some years. A truly generous and caring man. You will be missed greatly.

“ We have lost a dear friend and colleague at Gordmans. Alan was at the core of almost everything we did in the technology group. His deep knowledge, perseverance, kindness and calm demeanor served as an example for us all. Alan was a mentor and a positive influence to all.

He will be sorely missed. Our thoughts and prayers are with his family.
