“ I was thinking of a life lesson that was taught to me by Tony nearly 40 years ago when I played Little Devils football under him as a 6th & 7th grader. The life lesson I pulled from his coaching was "Don't tell me Rit, show me"...I used that exact line today with one of my team mates in my job...still works like a charm and gives focus. After I wrote it, I was inspired to look up Tony on Google to see what I could find. I wasn't expecting to find his life cut so short. What wasn't cut short was his impact and shadow in my life as a man, a father and a leader. My sympathies go out to your family. He will be missed but never forgotten with me or the young men he led.

“ Tony was my supervisor and friend in the early 90s at the Corps of Engineers, Omaha District. I am shocked to see he is no longer with us in this life. He was a great and positive force in my life. Tony was a visionary who dreamed of 'what could be'. I will always remember him as a kind and loving soul with the heart of a lion.

“ I met Tony in 1983. He was a friend and mentor, and at times felt like family. I was honored to have him as one of the Groomsmen in my wedding. The memories I have of the too few years that we spent in the gym together will be with me forever. There is no doubt that he had a huge positive influence on my life. Even though it's been years since I've talked to them, to this day, I think of Paul and Joey (and Mitch and David) as brothers. Thank you, Tony, for not locking the 100's in the storeroom. You will be missed.

“ I am so sorry for your loss. I met Tony back in 1983 at Scott AFB and he was my powerlifting coach. He was a man filled with passion, conviction, and so much love for his family and friends. I pray God comfort you and bring you peace during this difficult time. I loved Tony and know I will see him one day in Heaven.

“ Pam, please accept my condolences. I am so glad that Tony and I had reunited in the last year, his words of encouragement and advise was always welcomed. I will miss his emails, it was always a nice surprise to get to work and have a message from him. His faith was one of a kind. If you ever make it to the St Louis area, please look me up.

Take care and God Bless
