“ *So sorry this is late in coming. My friend Alice and I did dog therapy together for several years. We did hospice work also with the VNA. She and I hit it off immediately on meeting each other!!! What a great loss of this devoted lady!! Bill Gaus*

“ *So sorry to read about Alice in the paper. She and I had lockers nearby when we did water aerobics at Prairie Life. We always had to chat about something. She was great fun and will be missed. JoAnne Eurich*

“ *My deepest condolences to all of you on the loss of your mother. I find it difficult to make words express the depth of emotion felt at the passing of a loved one. My thoughts are with you all.*

I was always so happy and impressed when I received a handmade Christmas card from Aunt Alice. It was quite touching. I was also so glad I got to spend a beautiful afternoon with her last fall in Lincoln. She looked so happy - that's how I will remember her. Terry Olson
