“ *Dear Tom and family,*

I was so sorry to hear about Alma but glad she is peaceful and not in any pain any longer. Thank you for calling us to let us know. She fought hard for so long but was always a joy for us to see in the clinic. We have missed her but were glad she could spend these last few months in Omaha. I feel priviledged to have been able to get to know her and appreciated all of her kindness and care.

We are sorry that Angie and I can't celebrate her life with your family tomorrow but know that we will be there in spirit.

You will be in our prayers.

*Most Sincerely,
Segen Chase & Angie Good
