“ *It was such a joy to know Ann. She was a CT patient here at Methodist over the years and we became friends during that time. I have many "Ann" receipts in my collection. In fact she would have them written out to share when she came in. She was an absolute delight to know!!! We will miss her. Our deepest sympathy at the loss of such a fine lady!Kathie CT nurse*

“ My memories of Ann, Woody and sons go back many years. Our families had cabins on the Platte River that not only created deep friendships, but memories that are so dear to my heart. Memories of pitch games, parties, fish fries....but most of all a connection of the heart. Something that cannot be forgotten by all of us who grew up on those river bottoms. Even though, we are not at that card table, talking way too much and drinking waaaay too many beers, we are still connected by our memories and love for one another! I want to thank you for your friendship & kindness...but most of all...Thank you for the memories! LOVE YOU ALL!!!
