“ So sorry to hear about Tony's passing. I enjoyed many conversations with him at the office at Fort Calhoun. He always had great life advice for a young engineer. My condolences.

“ I'm so sorry for your loss. I worked @ CNS for NPPD when Tony was the Snubber Engineer @ Ft. Calhoun. We even co-hosted an industry meeting twice. Tony was a great asset to Ft. Calhoun. I didn't know much about his non-work life except that he was really proud of his gold Mustang. I hope you find an excellent home for it. I have seen many pictures of it and it looked like it was brand new! I live South of Omaha in Nebraska City. If there is anything I can do, please do not hesitate to contact me!

“ *Tony was a good man and great friend. I have been blessed to know him. This verse from 1 Peter 3:8 fit him well, "Sympathize with each other. Love each other as brothers and sisters. Be tenderhearted, and keep a humble attitude."*

My prayers are lifted for all.
