“ *Arlene was my fifth grade teacher at country school District 9, near Dannebrog, NE in Howard County for the 1954-55 year. She boarded at our home that year and maintained contact with my folks throughout her life and many travels. I remember going to her wedding in Grand Island with my folks. She forgot her bouquet when she walked down the aisle so was carrying during the reception -- don't know why I remember that. Even though I really didn't like my teacher staying at our house, I remember her as a good teacher -- always in a good and happy kind of mood and very energetic.*

“ *Im so sorry for your loss. The bible is so true when it says the sting of death. Death is truly painful for family and friends. The God of the bible says he's going to swallow up death forever and bring back to life on earth all those who have died in his memory (Isaiah 25:8) This scripture has given me comfort and I pray you receive comfort from it also.*
