“ *so glad to have gotten to see Arlene at Marilyn & Johns anniversary party just a few weeks ago..thru all these years of knowing her, it is rare that I haven't seen a smile on her face. and, sharing that smile with those around her.. she was such a unique "character" and a pleasure to be around. I am sure she will be missed by all, but, welcomed with open arms into Heaven!! Gods Blessings to her entire family at this time. she was a "one in a million"*
