“ Dear Seemann Family,

I am so sorry for the loss of your precious baby boy. Soon all sickness and suffering will be a thing of the past! We have this loving assurance at Revelation 21:4:"And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry pain be anymore. The former things have passed away."

Death is not God's purpose for us. God does not desire to take our loved ones away from us. On the contrary, God promises to reunite us with our loved ones here on earth by means of the resurrection hope. In the meantime may the "God of all comfort give you the strength needed to endure."

“ To Aspen's family, friends and townspeople,
You each have been in my thoughts and prayers. You all have fought a battle, along with Aspen. He now has entered the presence of God.

When you lose someone to death, they become a memory. That memory becomes a treasure, that no one can take away.

The funeral will come and go, but the family will need support. You have done a great job. You are truly a model for our nation.

May God hold you in his loving arms and give you peace.
