“ *It is never easy to lose someone we love, but I know that Audrey is walking in the gardens in Heaven hand in hand with Harvey and I can almost hear her cute little giggle. Please know that we are praying for all of you.*

“ *Hi kids, I am so sorry for your loss. Audrey was always one of my favorites. She was so easy going! I guess she had to be with your dad!*

I am so sorry that I won't be able to make it on Friday. I just started working on Monday and already had today off to take our granddaughter to college.

I will miss seeing all of you. Please know that you will be in my thoughts.
