“ *My dad, Irvin Arens moved into Yankton Majestic Bluffs Senior Living in November of 2015 right next door to Bernard. They instantly "hit it off" with their German heritage and sharing the golden age of "ninety something" together. I absolutely loved visiting at meal time so that I could sit with the men at the table and listen to Bernard's stories. They laughed together about being the "Saturday Night Live" of the dining room. It was very obvious how much Dad enjoyed Bernard, cheering him up on gloomy days. Bernard would always tease Dad and then say to me with a big smile: "you know that I say that in a humorous way and I don't mean any harm by it". Oh how Dad, myself and our family will miss Bernard even in the short 14 months that we knew him! Our sincere sympathy to Bernard's daughters and their families. Bless you all!*

“ As good friends of Ruth and Teks and the former principal of Nick and Celine, I have watched Nick and Celine mature into outstanding young adults. As youths, they were leaders, athletes, scholars, respected by peers and always exhibited sound judgment. All qualities that Mr. Sendrowski instilled in his family. Over the years, Ruth has shared many stories of life on the farm in Nebraska, family gatherings, travel experiences, and more. All so telling of a strong family bond with Mr. Sendrowski's love, guidance and support ever-present. His faith, ethics and integrity will live on through his children and grandchildren. And the Lord will say, "Well done my good and faithful servant".

*We extend to Ruth, Teks, Nick, Celine and Ruth's entire family our condolences and heartfelt wishes for peace and strength during this sad time of loss.*

*In Christ,  
Joyce and Marshall*
