“ *Dear Denise, Jamie and family, We just wish to express sincere condolences. I am so sorry. I always enjoyed talking with your Mom/Grandma and sharing a coffee. I would like to come to the funeral but have only just been discharged from the hospital myself. Maybe we can reconnect on Facebook.*

I do hope you and the family are doing well. We saw Jamie at UNO last summer and managed to say hello, then rush off to registration. Love to all.

“ Heaven got a lot brighter this week because of the sweet beautiful spirit that passed through the Pearly Gates. Bessie made everyone feel welcome no matter what she was going through. She is the finest woman I've ever known. My life changed for the better when I became involved with the Janousek family. She raised her whole family on her own. Before I became an honorary member of the Janousek family. I never thought that family members could be friends. She did an excellent job of raising and taking care of her family. I can't describe the gratitude that I feel for having known and been blessed by being part of her family. She had a sneaky side by attempting to double pick even when it was just her and me playing on the other hand she always caught me when I added wrong on the scores. We will all miss her terribly but I know she had a tumultuous greeting at the Pearly Gates. We love you and will always miss you 🥰

“ *Grandma you were amazing! Nobody worked like you to make sure the family was together and happy. Your love for your grandkids will be matched by none. I'm going to miss you! I love you and can't wait until I get to see you again!*

So sorry for your loss. She worked with my mother (Carolyn Schrader) who passed away earlier this year. My mother was always filling me in on her friends and Bessie was one of them.
