“ *Mrs. Meade was a wonderful lady. She was my beautician all through my youth and adolescence for my whole family. She was a fun loving and full of conversation. She will be missed tremendously. My thoughts and prayers to her family.*

“ *Marsha and families,  
It was with great sadness that I read of your mother's passing. I did not know your Dad had passed away either. We just sort of lost track of them after your brother passed on.*

*You are in our thoughts and prayers.*

*Your mother used to do my hair when we both lived in Omaha, many years ago. Your parents were truly good people.*

*We loved them.*

*The last time we say you was probably at Farmer Brown's with your folks. They were proud of their family*

“ Thoughts and prayers for the family, I will so miss her, enjoyed seeing her every Friday for her hair appointment. My Friday's will not be the same without her. She was a wonderful lady and loved very much!

“ We got to know Jean & Earl when we used to store our RV in their shed. I knew Earl first when he worked for MUD and used to come into my office. What a delightful couple they were. Our sincere condolences to the family and our prayers are with you.
