“ *Although we haven't seen Betty for a long time, we have special memories of her and Lou in various Bible studies at Timothy Lutheran Church. They were also members of our Marriage Encounter group. Prayers for all - Charlie and Vicki Mueller*

“ *To Karen, Vicki, Buck and Mike,  
Our condolences to you. Our families had some lovely times when we were young with Betty. She was a lady ahead of her time by breaking the glass ceiling at Northern Natural Gas. I had enormous respect and love for Betty. I am glad she and my mother had one last visit before my mom passed away.

*Stephanie! I remember when I was a kid and we spent time at your house. Your parents were wonderful. My mom had a peaceful death, thank goodness and she lived a good life, showing us through her actions how to overcome adversity. I appreciate that you mentioned her success at Northern Natural Gas. She accomplished much, without a college degree.  
Thanks for sharing your thoughts.*
