“ *When I got into real estate 17 years ago, your Mom showed me the ropes. I didn't know anything, she even taught me how to use a fax machine! We had a fun bunch over at the old Home Real Estate and we could always count on Betty to be right in the middle of it! She and your Dad were both great people, I have many fond memories of both of them. My thoughts and prayers are with you during this very difficult time.*

“ *Dad had just found out before he passed away and Bob Jr and myself are sorry for your loss. My dad wanted us to say something for your loss. You mom was a great woman and Sooner fan and we will miss her and Hooch very much. I know how your loss must be as we are going through it now with my dad. We all grow old and it is good on the other side. Shane*
