“ *I was so saddened to hear of Bev's passing. Bev was such an inspiration as she fought the hard fight against cancer. She was a wonderful co-worker; always willing to help, always smiling and dedicated to students. Our last time together was such fun! A group of us saw the movie "The Help" It was a great afternoon filled with laughter and good conversation - a wonderful memory.*

“ I am so saddened to hear of Bev's passing. She was an excellent colleague and a dear friend. She really took me under her wing when I returned to RPS seven years ago. I could always count on her for advice and a smile. She had a great heart!

“ Although I just met Bev last year, my first year at Ralston High School, I feel very fortunate to have met her. It was a joy to have her at the school visiting this year! I will forever carry the Cancer Card she gave me and remember her each time I read it. God bless Bev's family and friends!
