“ *I worked with Billie for many years at the Omaha Stations and the District Office. He was always good to me and Barb. I still wear the HUSKER red polo he bought me and anyone else that worked for him, that was a HUSKER Fan. Billie will be missed... He was a good friend and I'm sorry we didn't keep in contact after retirement... Best wishes to the entire family.... Billie's suffering is over now...*

“ Julie and family, We're so sorry for your loss. Jan and I were so saddened by the news of Bill's passing. Bill was such a wonderful and caring man and I knew I could always count on him if and when I needed some help with LIONS work. Things will be easier for Bill now, but no doubt tougher now for all the rest of us who leaned on him for help and support. He will be greatly missed by all who knew him and also by all those he helped that may not have even known from where the help was coming. Our thoughts and prayers are with you all. Nick and Jan

“ I have only had the privilege of knowing Bill for about two years. I enjoyed being around him he was encouraging and thought provoking. Bill was the type of Lion that I hope I can become. He was a guide for me and I knew when I would call him he would give me the no lie comments that I needed to hear, Even if I did not like it. Julie thanks for sharing Bill with the Nebraska Lions. I he will be missed I know I will certainly miss seeing my friend at the many functions and foundation events.

“ I was saddened to learn of the death of Bill, a dedicated cheerer of my mother, Gretchen Mangold. His faithful driving her to and from the church made her days more delightful. His help in getting her birthday celebrations together with competence and confidence made a difference. May good memories surround Julie and his beloved children and grandchildren.

“ Julie and family:

My sincere condolences at the loss of your husband/friend/family member!! You are in my thoughts and prayers!! He was a wonderful person and a great advocate for others through his many community works. When I think of him I think of the words of the prophet Micah regarding what the Lord desires . . . "but to love mercy, do justice and walk humbly with the Lord"

I'm sorry I will not be able to make it to the "celebrations" of his life. I will be out of town this week starting Tuesday morning.

In peace and love,
