Bobbi Jo Oshel Wegner was born on September 13, 1975 to Bob and Linda Oshel in Fremont, NE. She graduated from Schuyler Central High with the class of 1993. While growing up in Linwood, she enjoyed working at Camp Moses Merrill as a horse trail guide during the summers. Once out of high school, Bobbi worked as a photo-finish photographer at the horse race track in Columbus, NE and, for a short period, she moved to New Orleans to work as a photo-finish photographer.

Bobbi attended Metro Community College in Elkhorn, NE for photography and afterwards became a wedding photographer. She also worked at Behlen manufacturing as a graphic design artist. Bobbi met her husband Bill while visiting the dentist office in 1994 where he was working as a dental technician. After a year of dating, they bought their first house together in Genoa, NE and eloped on December 22, 1995. They had their church ceremony on October 12, 1996 and they celebrated both anniversaries every year.

Bobbi and Bill ultimately made their home together in Elkhorn, NE where they raised their family of four boys: Nate (Lea), Corbin, Kaden, and Braxton. Nate and Lea blessed them with 4 beautiful grandchildren: Maverik, Emmy, Ryker,

and Aurora.

For over 20 years, the family has been members of Lord of Life Lutheran Church in Elkhorn, NE. Bobbi was very involved with many church activities and loved donating her time designing and painting the murals, props, and decorations for Vacation Bible School, which she looked forward to every year. Bobbi had many hobbies and passions, mostly involving her incredible artistic and creative talents. She was known for decorating cakes for all occasions, photography and drawing. She loved vacationing, gardening and flowers, and dreamed of owning and growing her own lavender farm someday.

Bobbi loved family and friends and always enjoyed the many family get-togethers! Spending time and sharing her love with her children, parents, brothers, sisters, nieces, nephews, aunts, uncles, in-laws, sisters-in-law, brothers-in-law, grandparents, grandchildren, neighbors, congregation and friends meant the world to her. Bobbi was a fighter and hero to others battling cancer. She always kept an infectiously positive attitude during her 13 year battle with cancer and she never gave up! Her positivity, drive and creativity truly made the world a better place. She was and will always be an inspiration and hero to many, and loved by all that she touched.

“ I met Bobbi 7 years ago and she was so welcoming, sweet and kind. Of all the years I've known Bobbi I never once heard her use a curse word or any ill words towards anyone. They say the words that come from our mouths are a condition of our hearts and it was very apparent Bobbi's was filled with the lord. She was a very god loving woman who touched so many peoples hearts in so many ways.

She got so much pleasure from helping others. Anything she could do to make someone's life a little easier she was the first to be there and do it despite having her own responsibilities.

She truly was life's one of a kind. There's never been and there'll never be another like Bobbi.

Today I want to honor Bobbi and the legacy she's left us. The model of what an amazing god loving person looks like. Someone who never lost faith even when her fate was unknown.

One of the things that was the most apparent from knowing Bobbi was how much she loved her family. They really were her everything. Her entire world circled around Her boys, her grandkids, her husband, parents and siblings.

We are so blessed to have known this amazing soul. Bobbi was a fighter! She used gods grace to fuel her. She fought hard when most would have given up. Bobbi should be an inspiration to all of us in the times when things get rough to never give up and to never, ever loose faith. God has a plan for each and every one of us. I can tell you now, Bobbi has a special place with God. Someone that amazing and God loving holds a special place in the presence of our lord.

I'd like to say a prayer with everyone as I close.

God in heaven, we want to thank you for this day. A time of remembrance and appreciation for the amazing life you created. We want you to know that Bobbi meant so much to this world and while

we will miss her here lord we know that she holds an even more important role in heaven with you Lord. We ask that she hears our hearts and prayers and knows how much she was truly loved here. We know you needed your angel for bigger things and we want you to know we are grateful for the times and years you gave her to us. We ask that you watch over her beautiful boys, her family and dear friends and hold them in comfort Lord. Amen

*Thank you,
Andrea, sister-in-law*

“ *Sending love as Bobbi journeys to the next place. She was a fierce, courageous fighter and always had and shared hope. I have so many memories when we lived in Dakota City as children, she was always a ray of light and telling her dad when Blaine and Todd would pick on her. She always wanted to do her hair and wear makeup like Barb and me. Rest in peace my dear, until we meet again.*

She also made the wedding cakes for my big day! The main cake, the groom's cake and a cake for Genny and Colette, Craig's daughters. Everyone at the wedding was talking about the flavors of the cake, especially the strawberry 🍓! I need that recipe, it was the best and most beautifully decorated cake that I ever ate!
