“ *When a loved one dies it causes so much sadness. It is my hope to share a little comfort with the family. In the Bible book of Job 14:14,15 much hope is given. It says, "If an able-bodied man dies can he live again? You (God) will call and I myself (the deceased) will answer. For the work of your hands you will have a longing." Yes, the Creator longs to bring back to life those who have died. What a wonderful promise and sure future for those asleep in death. We hope you find comfort in this time of loss and we express our deepest sympathy.*

“ *Bob was a great guy. I was just a broke long haired kid working my way thru college and trying to pay for flight lessons. Bob became my flight instructor and helped me to get my license soon after. He helped so many people as the EAA technical advisor. He always had time for anybody with a love of aviation. Thanks Bob, you will be missed.*

“ So sorry to hear of your loss. I grew up with Joy and Jan and have many fond memories of the Harvey household. I remember the square dancing and the fancy outfits! You are in my thoughts and prayers. Mr. Harvey use to call me "Lullaby".
