

Brad Lindahl
Second Assistant (A-8)

Bradford LeRoy Lindahl

January 2, 1965 - February 2, 2008

Bradford LeRoy Lindahl was born on January 2, 1965 in Wichita, Kansas. He grew up in Omaha, Nebraska and upon completion of his education in the Omaha school system, earned a golf scholarship to the University of Nebraska and this is where his legacy began.

Brad started his career in golf immediately after college and his work became his passion and his passion became his work. How fortunate the man that can achieve both. As providence would have it, it also became the stepping stone for the Brad Lindahl Cancer Research Invitational. Whether on a golf green or in a hospital bed, his perseverance reigned and it was his soft spoken demeanor and “can do” positive attitude that inspired us the most.

Brad met his soul mate, Nan Fritz, in 1988 and their union produced a son, Connor. They will sorely miss Brad as well as his parents, Don and Yvonne Lindahl and sister, Tiffany Mainelli along with numerous nieces and nephews; as well as all of his beloved friends and PGA Buddies.

God welcomed Brad home on February 2, 2008 while he was surrounded by his family and loved ones. He was preceded in by his maternal grandparents, Mr. and Mrs. Delbert Lindahl. We invite you to come celebrate Brad’s life in this special tribute we have prepared.
