“ *Brian was my concert buddy. If we couldn’t find anyone else to go with us we often went by ourselves. He often referred to himself as a renaissance man and I would laugh and deny it but in fact he was and great human being as well. I will miss you buddy, rest well. I have many great memories of you and will cherish them all. Love Jano* ”

“ I met Brian through my neighbor, his sister, Staci. I will always remember his wry sense of humor, his “FISHICUS” license plate, and the fact that he taught me how to say curaçao. Rest in peace, Bud!
