“ *Kate,
Please know my thoughts and prayers are with you at this difficult time. I hope you are taking care of yourself and those wonderful kittens. When Peg comes up or even before, we need to do lunch so I can tell these thoughts in person. Take care, Lois*

“ *Was sorry to hear of Digger's passing. I know his health has not been good the past few years. Miss his smile and his stories over a beer. What a truly wonderful man.*
