“ *My sincere condolences to Bruce's family and Jody. Jody, my heart is breaking for you. You were the love of his life. He adored you so very much and spoke so lovingly about you. Clearly that love was/is reciprocated by you! A piece of paper isn't required to see you two as soul mates united.*

Bruce's kindness has been such an inspiration and we've learned a lot from his example and advice.

Bruce loved you boys very much and spoke so fondly of you. He was so proud and honored to be your father.

He will be sorely missed by many.

“ Matt, I was saddened to learn of the passing of your Dad. I remember you talking about spending time with him, and I have to believe he led a full and interesting life. My condolences to you and Tami and your entire family. I hope you are all well and enjoying family life together. A difficult time, but remember and be grateful for the good memories and lessons your dad taught you so well.

“ It is so sad to hear about Bruce's passing. I worked with Bruce in the Harriman Dispatch Center for years. Bruce was always a trusted friend and co-worker. I remember the time that my brother called me at work to tell me that my mother had gone into cardiac arrest. Somehow, instinctively, Bruce shows up at my desk just to ask how I'm doing. (****POOF**** there was Bruce) He stopped what he was doing and kicked me out the door and covered for me the rest of the day. I also remember when his mother passed. He was most upset because he knew his sons' were upset. A very sensible and sensitive man behind the roar of his voice.
