“ *My husband and I would like to convey our deepest sympathy to the family and friends of your beloved Byron. We would like to share with you something that has brought us much comfort at a similar time in our lives. John 11:14-44 shares with us the experience of Jesus resurrecting Lazarus here on earth before the very eyes of those he loved. We can only imagine the tears of joy when we too are reunited with our dear loved ones. (John 5:28,29) Byron will surely be missed by many of those who's lives he shared, remember the experiences you shared together and learn from them, hold them close to your heart and cherish them. May you find comfort from those who surround you at this very difficult time. Our sincere condolences to all of you.*

“ Our thoughts and prayers are with your family! Several people stop by the barber shop and ask about Byron and tell us how much they miss him being there. We feel very fortunate to hear the stories and memories. We will continue to be blessed by his love and passion for his business and will pass it on to all of our clients as well.

*God Bless you all!*

“ *To the family:  
My deepest condolences are with you in your time of grief. May you continue to find comfort in the memories that you all shared together and get comfort from knowing one day Sickness will be no more and Death will be a thing of the past. In times of grief such as these, I find it comforting to meditate on the words found in the Holy Writings at Job 14:14, 15. Job expressed his faith that God would bring him back to life if he should fall asleep in death:  
"All the days of my compulsory service I shall wait, until my relief comes. You will call, and I myself shall answer you."  
The scriptures indicate that it is possible to reunite with your loved one in the near future, right here on earth under peaceful, righteous conditions. Psalms 37:10, 11 offers us this promise.  
My sincere condolences to your entire family.
