“ *Byron was my favorite uncle! He and Carla were always so real and fun. Sara and Marty, you know how blessed your family was to have him. I know your hearts are broken. Though it's sad to let him go, I can't wait to see Byron in heaven. He'll be in the front row welcoming us all in! Sending our love and prayers.*

“ Uncle Byron, you will surely be missed! I have many fond memories...family reunions with golf outings, drinking bloody marys with you! One of my fondest memories was when you used to babysit us when we were little! You were our favorite sitter! Sara and Marty, we are thinking about you and are so sorry for your loss...praying you find peace...

“ Sara and Marty, I was so very sad to read on Facebook about your Dad's passing. I was just looking through some old photos a couple of weeks ago from when the two of you were in high school and we were all gathered together in Pennsylvania one summer with your parents, Aunt Sally and my mom. I hope this and other wonderful memories will help carry you through the coming weeks and months. We all loved Byron.
