“ *My deepest sympathy goes out to your family as you are going through this loss. My prayers have been for God to comfort you as only He can. I know that Cameron's short life here on earth touched a lot of other lives. May God's comfort and memories of your time with Cameron help you through this tragic time.*

“ Leah, my heart breaks for your loss but also celebrates the amazing mother you were to Cameron every single day of his life. He has touched so many lives, and your unfailing dedication to him when he needed you most has made you a woman to be admired by so many. Thank you for sharing him with us - his pictures, his stories, his challenges and his victories. Thank you for allowing us to come along side you during this time and provide some support, even if it is so minor. He has made a huge impact in his too short 3 years and you can take comfort for that. Love and prayers, Jen and family

“ Leah, I am sorry for the pain you are experiencing right now. I pray that you feel God's comfort around you. Your little Cameron was loved way past the people he knew. An amazing little boy.

“ Cameron was such a sweet little guy. How truly blessed we are to have known him. I know he is in Heaven in the arms of the Lord where he can run and jump and play with no limitations. He was only here for a short time but he touched the lives of many.

“ To the Push family,
Cameron was truly as amazing as your family has been. Leah, I feel so honored to have spent so much time with you and Cameron. I was so grateful to have the chance to spend time with him this last week. I know that up in heaven, he'll be playing with animal friends, maybe even holding a frog. My deepest condolences as you process life without him. He will be missed. Penni
