“ Dear Smith Family,

Please know that my thoughts are with your family at this very sad time for you. I didn't know your Cameron personally, but just looking at her beautiful picture I gather that she was truly a delightful young lady, so full of life and adventure. I, too, know what it is like to lose someone much too soon, so I wanted to express my sincere sympathy to your family. In the Bible, there is a wonderful promise found at 1 Corinthians 15:26 and Revelation 21:4, where it says that Death is our enemy and it will be completely abolished. Also, God will wipe out every tear from our eyes and DEATH WILL BE NO MORE. Reflecting on these Bible verses can bring much comfort and calmness of heart to your family. Take good care.

“ My son, Matt Egan, worked at Chance Ridge when he was in high school(2000-2001). We also had our dogs (both gone now) cared for at Chance Ridge and remember Cammy and her enthusiasm each time we visited. I am so sorry for your loss. I will keep you all in my prayers.

“ I have so many ridiculous memories of us that all I can do is shake my head and laugh. You were the wildest child I ever knew and boy did we get into some trouble. Your family took us all in like we were orphans and fed us and let us hang around all hours. I always remember your dirty barefeet always on the dashboard and a lot of loud music. I'll remember you and miss you till I see you again. I hope with all my heart you found beautiful peace and you have your dirty bare feet up on God's throne as He holds you tight.
