“ Carl was a big man with a bigger smile and even bigger heart to go along with his many other gifts. To know him was to love him. To spend time in his company was to want more time in his company. Thank God we'll have an eternity together to know and love each other more deeply than ever, with no obstacles of time and distance between us. For now, Carl, you will be missed!

“ Carl and Leona were a special part of our lives at Center Baptist Church. Carl was choir director when I sang in the choir. He was always so caring and kind. Our prayers are with Amy and Andrew and the rest of the family. God used Carl and Leona in so many people's lives. We serve a great and mighty God

Carl was a member of the Chet and Ruby Anderson family at Center Baptist Church on 42nd Street in Omaha. My husband, Gus and I had been married 9 months when we moved to Omaha from Montana as Gus was employed as an engineer at Western Electric. We attended Center Baptist where Chet , Ruby , Carl, Carol, Ron And Don all treated us like family!

Carl was a very creative person! He planned events for the college and career group that Gus and I worked with. We loved his wife Leona and they were a very effective couple as they continued to share God's love to so many. We live in Ohio now and we will miss just knowing he is not there anymore but we rejoice that he is with his God and Savior Jesus Christ.

We miss his brother, Don as well!

Blessings to his remaining family members.
