“ Carl was the grandpa I never had. I'd meet him every Friday and Saturday I could to have a dance with him. He was one of the first people I met when I moved up from Texas and we became a big part of each others lives. I will hold on dearly to the voicemail he left me when he was in the hospital. I will miss all our conversations and the memories we had over the last 4 years. I love and miss you Carl! Always your adopted grand daughter, as he used to say.
