“ *Byron, We have you and your family in our thoughts and prayers. Although we weren't well acquainted with Carla, Mike had worked for her Dad and has lots of really good memories of him. Hope that your memories will make your loss easier to bear.*

“ *Byron and Family,
Our deepest sympathy for your loss. As classmates from Anita have scattered for so many years, we have not kept in contact with one another. We happened to hear from classmates that saw of Carla's passing in the Omaha paper. Thinking of you at this time of sadness.*

“ *I was so sad to see that Carla had passed away. We had basketball in common She was two years ahead of me in school but were on the team together for a year or two. She was a really good basketball player. I always thought she was really pretty and all around nice person. I, too, live in Omaha, and saw the obituary in the World Herald. I am so sorry for your loss.*

“ Carla was my algebra teacher at Benson back in the 60's. I always remembered her as a very special person. Later after I had also become a math teacher at South High and was serving on a curriculum committee, I found her sitting across the table from me! I was so happy to see her again.
To her family, I'm so sorry for your loss.

“ *Carla and I taught together at Benson High in the 1960s, she in the Math Department and I in Social Studies. We often ate our lunches in the Math Office with Chuck Davey, Margaret Bland, and Lucille Barbe (Sandy). Carla and I also ran a study hall in the auditorium the last hour of the day. Most days it was fun. Carla was a wonderful math teacher, but to me she was a valued colleague and a funny and wonderful friend. Our prayers are with her family.*

“ *Byron, Sara and Marty,*

I am so very sorry for your loss. Carla and Byron, your family were such a large and very important part of my life growing up as a kid. I was amazed that Carla and Byron would travel out of town and stay in a hotel to watch a sporting event of mine, my brother's and my sisters'. I loved our Independence Day get-togethers every year. I had so much fun being in the Hug-Eric-Biss decathlon. Carla was my teammate! Carla and Byron were like a second set of parents. Thank you for giving that to me and my siblings. I remember being so thrilled when Sara and then Marty came into your family. You all have and will continue to hold a very special place in my heart.

Blessed are those who mourn, for they will be comforted. Matthew 5:4
