“ My deep sympathy to Carol Ann's family. We were classmates at St. John's Lutheran first through eighth grades so there are many memories. One that comes to mind right now is playing softball and someone (me?) accidentally hit Carol with the bat. At school the next day we heard she had been taken to Omaha with a severe head injury and not doing well. This was interesting news because she was sitting at her desk in the classroom. Rumors in a small community with party line phones! God's blessings to her family.
