“ My heart goes out to you, Ron and Beth. Carol was a wonderful, caring person. Through the years we may have lost contact, but the love the Griencewic family has for you remains strong. What great times we have shared...and tears too.
Carol will always be with you, yes in a different manner but you will feel her presence in many ways.

“ Dear Ron and Beth, Carol will be greatly missed by everyone who knew her. She enriched both my personal life and my career! Carol had a wonderful positive attitude and was extremely loving to all she came in contact with. Carol helped to mold me into the Nuclear Medicine Technologist I became. It has been a privilege to have Carol in my life for the past 30 years. Carol was always the epitome of a mentor, co-worker, and friend - sharing the best of her qualities... I love you Carol.
