“ *You Have left this world not knowing how big of an impact you made on so many people. You are gone but never forgotten. you will always be a big part of my heart. i have so many wonderful memories of the crazy things we did. From the time i first met you i knew we were going to cause trouble{but in a good way}. Grandma Allen had to keep her eyes on us. It feels like yesterday when we were causing trouble in her basement. You knew how how i felt about you, you were my sister,my friend, my life and i will miss you. Till we meet again. All my Love Barb*
