“ *Chase was an amazing friend and one of the most welcoming people I've ever met, I was able to meet him by bringing his dog (kalea) to him we became good friends because of kalea I always loved stopping by and visiting him and the dogs on my road trips through Nebraska did not think my last stop would've been my last good bye to him. He's definitely gone too soon the world needs more people like Chase*

“ *While in NorCal....Chase used to get meat shipped to him from his parents. Omaha Steaks.... and he coveted those boxes of steaks being delivered. He was and still is loved. Chase once made the mistake of leaving his master bedroom door unlocked while he was taking a crap... I took that opportunity to release my 2 pet ferrets in the bathroom with him while he tried to relieve himself..... oh the hysterical screams still linger with me. I included pictures of me with sweet Jameson and my ferrets. We had good times man*

“ Had the privilege of living with Chase in Arcata Ca, Humboldt. While we lived together there was never a shortage of laughter and pranks. When it was just us both sharing the home, he told me I was the best roommate he ever had. He too, was the best housemate I have had thus far. During Thanksgiving and other holidays, Chase was "Big Dog" with the barbecue and the menu. We ate like Kings and never had a shortage of home grown Cannabis and hash. Watching football with the volume full blast surround sound, front door open pouring rain...and our chickens running into the house. It was home to us. I have videos as well and will share them with his mama. Wonderful guy, AMAZING CANNABIS GROWER, and a good fellow to live with. And yes, Chase, I'm still passed you and McLaren hid my Cream Cream(ice cream) that melted in 2012. Still pissed but I will grieve your departure til the day I go.

Humboldt in our hearts.

Ps. I shared photos of Goldie and Sweet Jameson....Chases beloved cats. Them cats ALWAYS slept with that dude..... and I got the pics!

“ Chase, you and I go back a long, long way. Watching you and our son, Eric play LL Baseball with your dad and I coaching always brings a smile to my face. Say hi to your dad and tell him now is the time for a squeeze bunt. Jean, you have 2 angels watching over you and Derek. Love to all.
