“ *I am so very sorry for your loss. I was just reading the Elkhorn Post Gazette tonight and saw Chelli's name. I went to school at Elkhorn Middle and High School with Chelli. I graduated in 1990. I would often see her at Baker's too. She was always sweet and polite. Chelli was a wonderful person. She will be missed. Please know that your family is in my thoughts and prayers. “ *Dear Derrick Family:*

My heart goes out to your for the recent loss of your beloved daughter. I do not know your family personally, but I do know the pain of losing someone much too soon. I am sure that your dear daughter was a delight to everyone who had the privilege of knowing her and I wish you much comfort and peace in the weeks and months to come. Reflecting on such Bible verses as Revelation 21:4, Acts 24:15 and Psalms 94:14 can prove to be a real source of strength and hope. Please take good care.

“ So sorry to hear of Chelli's passing. She was always a delight to talk to, and visit with. A sweet, gentle soul who made you smile no matter what type of day you were having. Our thoughts and prayers are with her family, as she begins her new life in Heaven. May you find comfort in the memories of her short, but loving life.

“ Our deepest sympathies to Kenny, Kevin and Rhonda. Chelli was such a special young lady, she always had a smile. She left to early but knowing she is with Aunt Marie is a comfort. You have a very special guardian angel watching over you. She will be forever in your hearts thru your memories.

“ Dear Kevin: I was so sorry to hear about Chelli's passing. I will never forget how wonderful you, your mother and Chelli were to me when you would take care of my room at Valley Elementary School. Chelli was always so darling and so helpful. I know you will miss her.
Blessings,

“ You are in our prayers. Chelli was such a happy caring person. She was always talking about the movies ya'll were seeing. Also about the dogs. I know she really loved her brother. Then her family, the dogs, movies and music. She will be missed. I looked forward to seeing her smiling face when I went in. Chelli always had something nice to say about someone.
