“ I am so very saddened by the news I heard today. Cherry was such a sweet and wonderful friend and person. We went through our first pregnancies together and don't get me started on the years of softball! So beautiful, inside and out. Full of wit and a zest for life. Cherry you will be dearly missed by all who knew and loved you. My prayers for Chandra and Kaylyn for healing strength over the loss of your beautiful momma. Keep her memory alive in her grandkiddos and take solace in your sweet memories. Hugs and prayers to Russ, Chandra and Kaylyn.

“ Dear Nerverve family: I'm not sure where to start, because there's not enough space in this little notepad box. I have known Cherry most of my life. From high school to being married neighbors to Chandra coming over and sitting with Josh and last but not least, a great friend. She was one that you could tell her anything, and if you told her to keep it a secret, she would. Prayers and hugs to all. She was a great woman!
