“ *May you find strength from you family and loved ones during this difficult time.*

The first time I remember meeting Christina was May 1 1962 when she and Teresa left a May basket for me. Grandma and I set off chasing after them. This was the beginning of a wonderful childhood friendship. Tina and Donzel treated me like their fourth child. So many great times spent out on their boat, weekends at the lake. I close my eyes and see them teaching us how to do the twist. (The trick is to pretend you have a towel drying you backside) Thank you Neth family for these wonderful memories. Christina left her mark on me and I am a better person for knowing her.

“ Dear family of Christina,

I send this note of sympathy to you from FI. I used to live in Omaha and went swimming with Christina at Common Ground.

She and I shared a lot of conversation as we were in class. Such a sweet lady. She talked of her grandchildren and I believe great grandchildren. I know she did volunteer work for her church.

She was a joy to know and I just want to send my prayers with all of you.

God Bkess her memory.

“ Thank you Neth family for sharing Christina all these years at Elkhorn Hills United Methodist Church. Her dedication to picking up after all of us was amazing. She used to say to me, "I hope you'd be practicing today while I clean. Makes the job go faster." What a selfless act and one where she never expected any attention. We will all miss her so much.

“ I am so sorry to hear about your loss. I too have lost family members and know this can be one of the most difficult things to go through. I just wanted to leave you with a scripture that has helped me and let you know your family will be in my prayers. The scripture is Acts 24:15 and it talks about a hope of a resurrection when we could see our loved ones again.
