“ After God removes wickedness and suffering, the earth will be transformed into a paradise. Then people will be able to live forever in perfect health and happiness. God’s Word foretells: [God] will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore.” Revelation 21:4.

*In that new world, even dead ones will be brought back to life to share in those blessings: There is going to be a resurrection of both the righteous and the unrighteous; (Acts 24:15) That is why Jesus Christ could tell a repentant evildoer who expressed faith in him: You will be with me in Paradise;” Luke 23:43.*

“ Darbi,  
*I was so saddened to hear of Cody's passing. Seems so quick. I was praying for his recovery. I hope you are doing well despite everything. Let me know if there is anything I can do. It was nice to read about Cody's life story. I didn't know he went to Midland and also played baseball there. My younger brother, Wes Rutgers, played baseball there as well in 1999 and 2000 before transferring to Jamestown College in ND. Small world. I wish you all the best and comfort during this difficult time. Much love to you and your girls.*

“ I was deeply saddened to learn of Cody's passing. Cody and I were acquaintances who met through our mutual friend Brian Paul. In the times we were together we played golf and drank a lot of beer. I remember enjoying his formidable wit, envying his robustness for life and laughing a ton because he was unrelentingly hilarious. I didn't know him as long or as well as a lot of people but in that time I felt a genuine camaraderie and he always made me feel welcome. To his family I offer my most heart felt sympathies, for Cody was one of the good ones.

*Sincerely, respectfully,*

“ Darbie,

*Our thoughts and prayers are with you and the girls today. Cody was an amazing light that burned brightly for too short a time on this earth. His flame with yours ignited the light of your two beautiful daughters who will carry him with them forever. For that we thank God for it is not truly good-bye. We send our love from California.*
