“ Dear Betty, Ed, & Melinda: My Dad is one of your Dad's older brothers, Robert. You may, or Betty may be more familiar with his nickname, Dick; which is what his brothers and sisters would use to refer to him most often. On behalf of Robert's family, I extend our deepest sympathy for the loss of your Husband/Father. May your family find peace and comfort in the promise of eternal life and that we are all but visitors here, in this place, and will once again be joined with our loved ones to share in eternity. Although I personally do not remember having met Clarence or Betty, after seeing the pictures you provided of Clarence, the family resemblance is unmistakable, at least among the Bauer brothers. I am quite sure I could have picked him out in a crowd. How is Betty doing? For the past two years or so, I have been collecting information of all the Bauer clan for a family tree. It is nearing completion, or at least as much as such a thing can be complete, and if you would like to participate here are a few items everyone has been including - Names and birthdays of members in their respective families, MM/DD/YR. In your case, your mother's maiden name as well, typically middle names also. Nicknames also, if any. - Marriage anniversaries, where (ie. church) and what state. Spouses name, birthday, etc. - Military histories, (if any) - Any other fun/interesting facts you may want to include. Our particular program allows us to put such things in a note field. Basically, anything you would like to share. I always like to caution everyone that although I do not intend this "tree" to go beyond the family members, I can not control what others might do, so if something seems a bit to intrusive, by all means, don't include it. Birthdays, for instance, can just be the year, or the month and year. When mostly complete, I will e-mail, snail mail, or deliver a copy personally to each family. There will be no charge. Everyone can then copy as needed. I hope you choose to participate, we have a very large family, on the Bauer side, and it is so easy, these days, to get lost in the shuffle. Our e-mail address is: skidlull@frontiernet.net. However you choose, please send an e-mail with a means of contacting you so we can get a copy of the "tree" to you. Once again, our most sincere condolences Robert, Jr., Harold (Gerald, Harold's twin is deceased), Margaret, Kathy,

*Michael, and my twin, Mary Lou, Our mother Alma, (who is 92-1/2
and living with my wife and me)*
