“ *Dee and I go back to attending school at District 8. We were in the same grade along with two Morris boys. It was a one room school house and we girls had to stick together. She and I were both confirmed together at Zion Lutheran Church. I lost contact with Dee after that , but later found out she lived in Elk City with Wilbur. I ran into her at Bakers about a year ago and we had a fun and good talk. She was always my District 8 buddy.*

“Dee and I have been friends for 50 years. we always looked forward to our many luncheons and going to the many shows at the Orphuem theater. Our birthdays were special, as would treat each other at a special restaurant as a gift to one another. She was definitely 1 in a million. Our phone calls were special. They always ended with “I love you and will keep you in my morning prayers.”
RIP Dear friend.

“So many good memories of Dee while growing up in Elk City. One of my best memories is when I vacationed with Wilbur, Dee and Tina to Mt Rushmore and Yellowstone. Two weeks in the blue Cadillac, no air conditioning (to save gas) and the windows down. It was also Sturgis at the time in SD, she tried to corral Tina and I to “look the other way” when there was crazy stuff going! Dee always wanted us to have a “good meal” in the evenings on the trip and not just “fast food.” She made us pick a restaurant that had steak and veggies, and we had to eat them! I am so glad that I ran into Dee last summer at Cal and Aggie Campbell's Anniversary party. She didn't recognize me at first. I didn't think it had been that long since I had seen her. But time gets away from us and we still had lots to talk about and catch up on. No doubt she will be missed by her family and many friends. She remained a long time friend of my mother's and I am so happy that my mom had Dee to call and lean on when she needed a friend! My many thoughts and prayers to Danny, Mark, Tina and the rest of the family. May your many memories help to ease the pain of your loss. Wendy White

“ *Dee was a family friend and neighbor for as long as I can remember. My sister and I had a path through Edgerton's yard straight to Dee's house. We spent a lot of time there, Tammy and Tina had the best playhouse and Barbie's. I remember for a short time they moved to the Bruhn farm and being so glad when they came back to Elk City. Lots and lots of memories of Dee. A few of my favorite are how good her fried chicken was. Her aquariums. Her birds especially her peacocks. She was a strong tough lady who endured a lot of loss and tragedy. Always the caretaker of her family. Dee loved fiercely and had a heart of gold. She was the matriarch of Elk City. I loved her dearly. Angela Schmidt*

“ *Sincere condolences to Dee's family and many friends. I hope your precious memories bring some comfort going forward. I became acquainted with Dee some 25+ years ago. What a terrific lady! She was sweet, kind, caring and generous. An authentic, sincere, honest and forthright woman. Strong, genuine, loyal and quick to forgive. I count myself as fortunate to have known Dee and also to have been the recipient of her friendship. Picturing her with a big tub of Blue Bunny French Vanilla and a big smile!*

“ We never want to hear someone has passed sway but when it hurts someone you love it makes it worse. Although we didn't see eye to eye we both had our granddaughter best interest at heart. I know Mark will miss you also. May you rest easy now
