“ *It breaks my heart to hear of the loss of Dan.
We were great and close friends for many years.
He contributed more fun times to my life than I can count.
As much as I wish I could,
I know there is nothing that I can say or do to make this
Pain less in the hearts of all the many friends and family.
Dan's kindness and beauty as a human being will live in my
memories forever. God bless you Dan.*

“ To the entire Bentz Family;

Right now words are so hard to find when I think of my Brother Danny. They are there, but they are hard to speak and even jot down. I know I speak for Stubba, Gary and the Professor when I say that we are truly sorry for your loss and If I can be a little selfish, our loss. We all loved Dan and will treasure all of the great times we've spend together. From our Seabee days good and bad to the times when we have had the chance to meet at some Seabee reunion. I particularly was so happy that he and the guys came to my 60th Birthday party last year. You don't know how that made me feel. My only regret is that I didn't hug him a little longer then. Goodbye my friend.... we love you. May you have "Fair winds and calming sea's" in your journey home my dear Brother.

Bless You All;

“ To the Bentz Family:

Almost 43 years ago I met a tall, thin kid, with blond hair from Omaha (Valley) Nebraska. I'm so glad I did. We grew up together and I will miss him, just like anybody that knew him. I'm sure he is already at work in heaven, but I hope he cuts back on his hours to about 80 hours a week.

We love ya Dan
