“ To Glen, Teri and boys,  
Our sincere sympathy at this sad time. I will always remember your dad coming in your door with a big smile on his face and lots (and lots) of stories to tell. He always had a greeting for Jacob, Jackson and Connor and a grin for Teri. He obviously loved you all so much; the close bond that you shared was very special. We know that precious memories will remain vivid and you will always hold him in your heart. Our love and prayers are with you.
