“ *Dear Nyla and family,
Susie and I extend our sorrow on the news that Dan has died. We can take great comfort in the assurance from the Scriptures that we do not grieve as those who have no hope, for Dan held his firm faith in Jesus as His Lord and Savior. We knew with absolute confidence and joy that our Lord has carried Dan into His eternal home and crowned him with the crown of righteousness. Our prayers for all of you that the Holy Spirit be your comforter and lift you up in trust and solid faith that Jesus holds you close in His arms, loves you so deeply, and will carry you forward. We send to you our care and our love. Pastor Ralph*

“ Nyla,

Lynette and I want you to know that you and your family are in our thoughts and prayers. Even though we only had contacts at class reunions, I still have fond junior and high school memories with Dan. Dan and I had a great conversation at our 40th class reunion at the Plainview Country Club.

Unfortunately, Lynette and I could not attend Dan's services because we are in Eugene, Oregon visiting my oldest son's family. We were blessed with our first grandchild, Luca, 15 months ago.

Take care and hopefully, we will meet again at a class reunion if not before.

“ Dan and I had become sales meeting friends over the years. Seem to end up on same golf team several times and he was always patient with my scattered shots. And same alphabetic group for breakouts sessions.
He shared with me just before we left Williamsburg about the cancer return. We talked fighting tears.
My condolences in your loss of this gentle man.
Heaven is richer.

“ Nyla, I was saddened to see this posting of Dan's passing. Although I have not seen you for many years, I have fond memories of Dan and you in highschool. May your family know the peace that can only come through the knowledge of Salvation through Jesus Christ. Dan must have been a wonderful husband and father. I remember him as a gentle guy, with a great sense of humor. He was always ready with a smile for his friends. Those are qualities which I am sure he passed on to your children. Mary Loseke

“ Please accept our sincere sympathies for the loss of Dan from all of us at IES. I had the privilege of having Dan call on me for many, many years and he was far more than our Sales Rep, he was a good friend and we talked often. We also played golf several times and he would never fail to call if he was in the area. I will miss him. God bless you all in this hardest of times, my thoughts and prayers will be with you.

“ Your family, including Dan, impacted my life, and the lives of my kids, in ways that cannot be measured.
Thank you for that unending Christian influence you have been.
Heaven gained a marvelous soul as Dan closed his eyes and awoke next to Jesus. Imagining the ecstasy being experienced now and forever.
I look forward to being there, too.

“ Dear Family,
I am so sorry for your loss. Dan was a great person. This is a loss for a lot of people.
I only knew Dan through work, for about the last 4 years. When I was having some issues on a difficult project, I came across Dan. He was very willing to help me, and through his help he made the issues go away. I appreciated working with him and realized through this relationship what a nice and great guy he was. He always had time to help me out, no matter the size of the effort involved. Ever since that first meeting, whenever I needed his type of expertise, I knew who to call.
I knew Dan was sick and not doing well. I tried to keep updated on Dan's health through his colleagues that were much closer to the situation.
Again, my sincere sympathy to you.

“ So sorry to hear about Dan. My good friend Ron Mays would share Dan stories with me, knowing I'm from Plainview, and he can do a perfect impersonation! “ I only knew Dan professionally as he was a rep for QMark for many years. I can't say that I have ever met a more friendly, outgoing, fair and professional person than Dan. We meet a lot of screwballs in this business but Dan was one of the good guys. I know he will be missed by his family, his co-workers at Volco, and his customers. God Bless.

“ Met Dan bout 30 years ago thru some Emerson/Marley Sales functions. A truly kind and hard-working "young-man" then and I was able to see that same kind true spirit grow stonger and deeper over the years. A man who loved his God, his family and his work. Our Loss - Heavens gain.

“ Dan will be so dearly missed. He and I knew one another for 20 years and I regret not being able to play that round of golf he asked if we could make time for last year. I am honored to have been able to call him a colleague and most importantly, my friend. My prayers and thoughts are with the family in your time of grieving. May the love and comfort of Jesus Christ be with you all supporting and healing the wounds from this obvious void you all rightfully feel. I apologize that I am not able to attend the funeral, but know that I am praying for you all and will be thinking of Dan often. His memory will live on through all of us he has impacted.
