“ *Please accept my sincere condolences for the loss of Danny. The Bible assures us at Psalms 34:18 that God is near to those broken in heart. He also promises that we will be able to see our loved ones again. Jesus own words found at John 5:28,29 tells us that. What a wonderful hope! May these Bible thoughts bring you comfort at this most difficult time.*

“ *Our deepest sympathy in the loss of Danny. I remember so vividly that it was love at 1st sight for Danny when you both 1st met at Valley High Schools graduation back in May 1971. He was so scared to call this beautiful girl he just met but took my advise and did call you and the rest is just a beautiful Love Story. I hope all the wonderful memories you have shared will help bring your family through this sad time.
Love, Sheila & Larry*

“ Jan, You and your children are in my thoughts and prays. The little time that I knew Danny, I just fell in love with him. Always a smile on his face, never complaining. The success of being able to eat a piece of potato chip. I have thought of you often and miss seeing you by his side. It will be extremely hard, but he is always watching down on you. Bless you all.
